INT. FISH TANK - AFTERNOON

MARK stands at the bottom of a fish tank wearing a tiny scuba suit. Mark scratches his head.

A gigantic shadow passes over Mark. He looks up.

A gigantic goldfish runs into the massive glass walls of the tank.

The goldfish spots Mark.

Mark spots the goldfish.

The goldfish swims violently toward Mark.

Mark exhales a stream of bubbles and swims toward a plastic castle.

The castle door opens. It lets out a stream of bubbles.

The bubbles confuse the Goldfish.

Mark enters the castle.

INT. FISH CASTLE - AFTERNOON

The castle is small.

Also, it is not actually a castle but only the facade of one. Underneath is the same blue gravel.

Mark sits down. He exhales a stream of bubbles.

Mark takes off his flippers. He rubs his feet.

The castle door opens, and Mark's flippers float towards the door.

Mark springs up and swims after the flippers.

The stream of bubbles push the flippers further outside the castle.

Mark swims faster.

A gigantic goldfish swims by outside and peers inside at Mark.

Mark exhales a stream of bubbles and hides from the fish.

The gigantic goldfish swims away.

The castle door closes.

Mark does not have his flippers.

Mark sits down on the blue gravel. He rubs his head. He exhales a stream of bubbles.

The castle door opens.

Mark looks out the door and sees his flippers.

Mark swims after the flippers.

INT. FISH TANK - AFTERNOON

Mark swims out of the castle and toward his flippers.

The castle door closes.

A gigantic shadow passes over Mark.

Mark looks up. He exhales a stream of bubbles.

Mark swipes the flippers from the gravel.

The castle door closes.

He swims toward the castle.

The shadow gets closer.

Mark picks up speed. So does the shadow.

Mark exhales a stream of bubbles.

The castle door opens.

Mark swims. The gigantic goldfish rears its ugly head.

The gigantic goldfish opens its mouth wide.

Mark makes it to the threshold of the castle.

The gigantic goldfish makes to attack Mark.

The castle door closes, vaulting mark inside.

The gigantic goldfish runs into the castle. It forgets what it was doing.

INT. FISH CASTLE - AFTERNOON

Mark puts his flipper back on.

He rubs his head.

He exhales a stream of bubbles.

He looks at the air gauge on his oxygen canisters.

He exhales a stream of bubbles.
